SUBJECT: ANR GROUP INC 2013 SUMMER INTERNSHIP PROGRAM

Dear Internship Applicants,

I'm sure by now you have all heard about Sequestration and its effect on the federal budget. Sequestration has directly impacted the Hanford Site resulting in reduced site budgets and workforce. Due to the cuts in Hanford budget we are anticipating having fewer internship opportunities this year.

However, we still encourage you to apply as there may still be a few internship positions available this year. If you have already applied we will keep you updated as we receive information from our clients.

Thank you for your patience and understanding.

Thank you,
ANR Group Inc
